In re Application of	:	
Katz et al.	:	
Application No: 09/505,914	:	RESPONSE TO REQUEST
Filed: February 17, 2000	:	FOR REFUND
Attorney Docket No: 245/249 (6046-101D9)	:	

This is in response to your letter(s) submitted on 06-19-02 wherein you requested a refund of \$360.00 in the above-identified application.

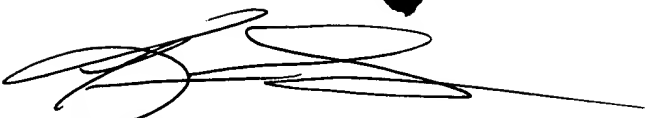

The request for refund is dismissed.

After thorough inspection of United States Patent and Trademark Office physical records and Revenue Accounting Management Financial records, it is determined that you're not entitled to a refund of \$ 360.00.

The reason for denial is as follows: After careful examination of the file it was discovered that the fee had not been charged to the applicants deposit account. Attached is a copy of the Revenue Accounting Management Financial Fee History showing that the fee was never in fact charged to the applicants deposit account. The correct fee of \$360.00 will be deducted from the applicants deposit account.

Telephone inquiries concerning this matter may be directed to the undersigned at (703) 308-7827.

This application will be retained in Technology Center 2600.
